VOOKS

Summary

Vooks can be used in a variety of ways in the home to enhance reading skills and read aloud moments while sharing the love of reading.

Each day will provide resources for two Vooks titles. Your child's teacher may suggest which activities to return to school. Screen time for one viewing of the two featured Vooks will not exceed 20 minutes. The time for activities varies and depends on the length of any discussion. You are welcome to explore Vooks that are not included in the lesson plan.
