

School Improvement Plan Summary

Errington Special Education Centre

Goals	Targets	Challenge of Practice	Success Criteria
To increase the student reading levels in Errington Big 6/Emergent PA	2022: 85% of students achieve one plan reading goals	If teachers use data to plan and differentiate targeted reading goals for each student's next steps in learning then we will increase student reading levels in Errington Big 6/Emergent PA assessments.	<ul style="list-style-type: none"> Emergent students differentiate a letter from other objects when matching Transitional students identify 80% of alphabet Conventional students decode words
	2023: 90% of students achieve one plan reading goals		
	2024: 95% of students achieve one plan reading goals		
Increase student receptive and expressive language	2022: 85% of students achieve one plan communication goals	If we use blank level assessment questioning daily, then we will see an improvement in our student's receptive and expressive language	<ul style="list-style-type: none"> Emergent students identify an object when asked a question Transitional students identify objects of the same category when asked clarifying questions Conventional students infer further meaning to text when asked probing questions
	2023: 90% of students achieve one plan communication goals		
	2024: 95% of students achieve one plan communication goals
